

SPPIN 2023 data agreement. Please read this carefully and send the signed document to m.a.d.buser-3@prinsesmaximacentrum.nl. After review of your data agreement, the link to the data will be sent within 2 workdays.

1. All participants should register with their real names, affiliations and email addresses.
2. All participants agree that the data will not be further distributed or changed.
3. Participants are only eligible for participating in the final leaderboard if both the preliminary and final test phase are completed.
4. Participants are only eligible for participating in the final leaderboard if their code and a short paper (± 4 pages) about their methods are shared with the SPPIN organisers.
5. Participants are allowed to use additional data and pretrained models only if this data or these models are publicly available before the start of the challenge.

I, _____ (full name), working at the _____ research department, institution name) agrees to participate in the SPPIN2023 challenge as part of the _____ (team name) team.
